

ANBF PRO OFF-SEASON DRUG-TESTING CONSENT FORM

The American Natural Bodybuilding Federation has launched an off –season drug testing program which will be implemented after the first **ANBF** show takes place. All pros who have competed in an **ANBF** show and any athlete who has qualified for pro status through the **ANBF** will be subjected to the off-season drug testing program. This form must be signed by all **ANBF** pros before they are allowed to compete in an **ANBF** pro show and all pro qualifying athletes will have to sign after the conclusion of their pro qualifying event.

The off-season drug testing will be performed on a random basis using urinalysis testing. The **ANBF** will be using the most current WADA Prohibited List as it's written. The random selections will be notified by email and/or phone notifying them to report to a specific drug testing facility. They will have 48 hours to do so and if they fail to report in the required time the competitor will be suspended from the **ANBF** for a period of 6 years from the time of the designated test.

The **ANBF** will also have the right to give a “no notice” test. This can occur at any **ANBF** show where a pro may be judging, coaching, or just spectating. The athlete will have 2 hours to produce a urine sample for urinalysis testing. If the athlete refuses to produce a sample they will also be suspended from the **ANBF** for 6 years from that date.

If either of these testing procedures result in a failed test the athlete will be suspended for 6 years from the test date. All athletes have a right to request a retest using a “B” sample. If the test comes back negative then the athlete’s suspension will begin from original test date.

Also, in the case of a failed test, the name and picture of the failed athlete can be placed on the **ANBF** website stating that they have failed a drug test and what they failed for.

By signing this form below, all **ANBF** pros acknowledge and agree to what is stated. They also understand that they may not bring about any legal action in reference to their failed test and/or their name and picture being placed on the **ANBF** website stating the fact that they had failed an **ANBF** drug test.

This “Consent Form” must be *signed and completed fully* and returned to the **ANBF upon signing.**

PLEASE NOTE THAT FAILURE TO SIGN CONSENT FORM WILL MAKE AN ATHLETE INELIGIBLE FOR COMPETITION AND ANBF MEMBERSHIP.
